WE RUN REGULAR SHORT TERM INCENTIVE SCHEMES FOR ALL OF OUR PARTNERS AND THEIR STAFF!

Bespoke energy incentive schemes can be arranged with you and/or your staff, where rewards could be earned for efforts on energy! You have to be in it to win it!

Give your Channel Manager a shout if you are saving for something a bit different, our Love2Shop vouchers cover many theme parks, experience days, multiple toy/fashion/home stores, supermarkets, holidays, eateries and more! Our Amazon vouchers can be used for many electronics, luxuries, games, books and much more, however if you have something specific in mind let us know as we may be able to personalise your rewards if the efforts warrant it!

Rewards can be earned for sending in complete and recent electricity or gas bills and that's it! Simply ask your customers for their bills, send them in for quoting and they'll be counted towards the target!

See the following page for all stores covered under the Love2Shop voucher! For further information about our short term schemes, get in touch with our Marketing team using the contact details below.

LONG TERM SCHEMES ARE AVAILABLE TOO!

We also run long term energy schemes. These are based on the number of energy bills brought in or contracts signed over a longer period of time. For more details please get in touch with your Channel Manager.

Cash and/or vouchers can be earned for these schemes!
